# The Enneagram

*Do you want more satisfaction in work, relationships and connection with God?*

*Do you want to understand your natural strengths and self-made limitations?*

During our annual Women's Retreat, we will discover together the ENNEAGRAM, a personality and spirituality framework of nine types: **Challenger, Peacemaker, Perfectionist, Helper, Performer, Romantic, Investigator, Loyalist, Enthusiast**. Understanding our ENNEAGRAM type aids us in self-observation and awareness of our individual preferences and inner motivations. It also helps us learn how we connect with God and others.

The Enneagram is an access point of self-inquiry and spiritual growth. Throughout the weekend, an overview of the ENNEAGRAM, group dialogue and meditation will provide you with a better understanding of your unique motivations, fears and desires. We hope you will leave with new levels of awareness regarding the deep inner workings of your orientation to God and the world.

***Expect to be surprised!***
