## What is Peace Camp?

**At Peace Camp children discover that peace begins with them!**

Campers cooperate in games and projects. They learn to deal with their conflicts in a peaceful manner and come up with their own creative solutions to the problems they see at camp, at home, at school and in the world.

# *A Day at* **PEACE CAMP**

- What is Peace?
- Making Peace with Others
- Peaceful Problem Solving
- Weaving Together in Peace
- Sharing a Culture of Peace

Each day begins with a time of centering and checking in with one another in our home groups followed by a time to gather with the larger group to explore the day's theme. The day consists of small group activities including art, movement/music, games, and more. Through these activities, volunteers will incorporate a variety of opportunities for campers to build relationships with others, to explore and experience ways of weaving peace into their lives and the community and to further emphasize their understanding of Peace. Supervised free time is part of each day as well. Snacks and lunch are provided. Dietary concerns will be taken into consideration.
